

MORENDAT INSTITUTE OF OIL & GAS (MIOG)

Morendat Institute of Oil & Gas (MIOG), is a Centre of Excellence offering competency-based education and training in pipelines management, operations and maintenance. The Institute is owned by Kenya Pipeline Company Ltd (KPC) and was established in line with KPC's Vision 2025. MIOG is registered by the Technical and Vocational Education and Training (TVETA) and conforms to the Kenyan TVET Act, Curriculum Development Assessment and Certification Council (CDACC), and the National Qualification Authority (NQA) rules and regulations. It is also registered by the National Industrial & Training Authority (NITA). The Institute offers Technical and Corporate courses. Below are the designated courses for 2021.
