

WORKPLACE HEALTH, SAFETY AND ENVIRONMENT MANAGEMENT COURSE

INTRODUCTION

Workplaces are rife with dangers that if not avoided, could cause injuries or even fatalities. According to estimates, 2.3 million individuals worldwide lose life each year as a result of illnesses or accidents at work (ILO). For continuity and profitability, businesses must adjust to good safety, occupational health, and environmental management.

WHO SHOULD ATTEND:

Managers, Supervisors, HSE champions, Workers Union representatives and HSE Officers, Fire Officers, Safety and Health committee members.

DATE: 30th Oct- 3rd Nov,2023

VENUE: MIOG - NAIVASHA

TUITION FEE KSHS 62,750
